

KAWGA Invitation to TV Ladies

It's mid-February, and time to be thinking about spring golf AND about playing in **KAWGA** (Knox Area Women's Golf Association) for 2018.

WHO: Women from eight area golf course/country clubs who enjoy golf. This gives the opportunity to meet other women who enjoy golf, have a little friendly competition, promote camaraderie, and to improve our game while playing different courses.

WHAT: Team golf with upper and lower division competition based on Stableford format. If you have never tried it –here's the deal. Not only is play in **KAWGA** fun, but it gives you the opportunity to play at eight wonderful area courses – **Green Meadows, Gettysvue, Cherokee, Oak Ridge, Holston Hill, Beaver Brook, Fox Den as well as here at Tellico Village.**

WHEN: Play days are approximately once a month from April until October including a stroke-play tournament in June.

WHERE: Each club hosts a play day once during the season.

COST/SIGN-UP: A membership fee of \$25/year is payable anytime during the year but must be paid before you may begin to play. Each play day has a cost which ranges from \$32-\$48 (depending on the course) for prize money, carts, and lunch. Since lunch is optional, this cost may be less.

REQUIREMENTS: KAWGA is **open to all women golfers with an index of 28.9 or lower** at the time of joining. If your index exceeds 28.9 anytime during the year, you will be ineligible to play until it is again 28.9 or lower. There is no age restriction.

Please make **checks** out to **Nancy Hammar** and mail to me at the address below or place in envelope on the board at Toqua.

If you have any questions just email me or give me a call.
