

18 TVGLA Planning Meeting for 2023

Meeting was held on Thursday, 11/10/22 at Teresa Reed's home and present was Teresa Reed, Meri Coles, Debbie Long, Dolores Franzen, Sandra Campbell, Patti Miller and Cindy Chalfant. Sarah Havens, our website designer and Lucas Forstrom (golf pro) also joined us.

Membership:

- Cost will need to be increased to \$50.00 per member to cover 2023 increased cost.
- USGA cost has been increased to \$27.00 for 2023.
- Sandra Campbell will meet with Linda Brenner and Teresa Reed will join to learn the duty transfers and discuss the Big Sister program and possibilities of improvements.

Play Schedule:

- June 13 league play will NOT be organized by our Pros due to the Pros have another commitment. T. Reed will organize/run a league play day to allow us our routine Tuesday league play.
- June 27 is the KAWGA tournament to be held at Toqua.

Budget:

- Debbie handed out 3 spread sheets, she would prefer to use the "2023 Budget Worksheet" as our tool of conversation. The 1st spread sheet was the "treasure report" which is the same spread sheet used in 2022, 2nd spread sheet "2022 Actual Revenue/Expenses Analysis by Event" is a quick summary, 3rd spread sheet is "2023 Budget Worksheet".
- We need more sponsors to cover our 2023 cost. Discussion on where and how to reduce cost and further review of expenses will be done at another time by the board.

Sponsors:

- Suggested to reach out to a total of 7 sponsors as follows:
 1. Loren E. Plemmens – Attorney at Law
 2. Bruce Martin – State Farm
 3. Donnie B. Iverson – Merrill Lynch
 4. Nick Broomell – Imperial Painter
 5. Karen Packet – Lake Homes Realtor
 6. Brent Parkhill – Flexx Fitness Personal Training Solutions
 7. GallaherSpa MD

Website:

Teresa commented there is a ton of information on our web site and will continue to add more data. A suggestion was made to add a “QR code” to encourage new and current people to access our website conveniently. The website traffic has increased by two times usage in 2022.

Patti Miller suggested web link between our website to 9-hole league and vice versa to offer visibility and encourage positive camaraderie. Lucas commented the 9-hole league is all yellow tee players.

Due to internet hackers, we will not post our golf league directory on the website. Also, a reminder to be aware of internet hackers asking you for information or money and using a golf member’s email. Never will a golf league member ask you for personal information or mystery money.

In 2023 season, the weekly name of the golf game to be played will be posted on the website. This will replace the weekly email distributed to league members by the vice-president explaining the weekly league game.

Just to mention some of the data on our website is:

1. Pros corners – rules and play pointers
2. Ringers and Points awarded
3. 72 Club
4. Link for golf “Genius”
5. Twitter link for golf/course conditions
6. KAWGA, Interclub, games, Big Sister

Misc. Topics:

There are several events with no chair person. Meri Coles and Teresa Reed will send out email to the league and request volunteers. If no league person volunteers, the event will be cancelled. Currently we need chair persons for:

1. Member/Guest
2. Member/Member
3. Rarity Bay/Tellico Cup
4. New Villagers
5. Give Back Day

For clarification, the procedure for minutes review is the league secretary will type up the minutes and email the board for any changes/clarifications. Secretary will then update with changes/clarifications and then send to Sarah Havens to post to the website.

Dolores Franzen
Secretary
