

18 TVGLA Meeting on 4/25/2023 at Yacht restaurant

Working meeting was held and present was Teresa Reed, Meri Coles, Cindy Chalfant, Sandra Campbell, Dolores Franzen and Debbie Long. Sarah Havens also joined us.

Bank reconciliation was reviewed and accepted by board members. Debbie was looking for confirmation when to pay the pro shop for membership dues that were deposited into our checking account. Meri Coles and Cindy Chalfant said we will be notified to pay around mid-July from Adam.

Discussion was on the \$255.00 in our checking from Donnie Iverson from 2022 and how to disburse. Decision is to give 5 gift cards (4 at \$50 and 1 at \$55) to members for our pro-shop. Gift cards will be a random drawing thru the summer and must be present to win the gift card. Teresa and Debbie will review unused golf lessons dollars in our checking account, sponsored by Donnie Iverson in 2023, and send out reminders to use the golf lesson, to avoid unused dollars left in account at season end.

Debbie mentioned that our checking account has a low minimum balance. Comment was made, we can always use more sponsors. Dolores suggested Emily May, a masseuse, who has 60% of golfers for clients and lives/works in the Toqua area. Sara Havens will contact Emily (Sarah's neighbor) and ask if she would like to be a sponsor. Dolores and Sarah both recommend Emily's massage services.

Name tags are suggested/recommended to be worn when we golf so we can learn members names. We have over 100 women in our golf club (old-timers and new members) and difficult to know the names of all members. A provider for the name tags is **Patty Laser at 985-640-9586**. She will add our logo and the cost is \$11.00. Meri will mention in her weekly email.

The Board of Directors is asking for suggestions/ideas to improve our golfer's socialization after we are done golfing. One suggestion was to have the clubhouse provide a Tuesday lunch menu to help speed up service. This would be available Tuesday morning before we golf. Another suggestion was to take a sign-up sheet who would be staying for lunch and provide to clubhouse so they can be prepared for us as we finish golfing. **We are looking for more ideas, so please feel free to email Teresa Reed with your ideas. (xreed@aol.com)**

Secretary,
Dolores Franzen
