Ladies-

Thank you for taking time for today's meeting, I'm certain if I had given better notice all of you would have made it. Today we confirmed :

**Welcome Coffee event:**

March 7 @ 9:00 am

Toqua restaurant

\$45 for facility and coffee provided by Toqua, we can bring confections ( any volunteer bakers are welcome )

- Patti Miller will send out a blast to invite people within the Village considering the league requesting an RSVP response.
- Meri will include this date/event in her email to the league if anyone wants to come with an RSVP response. RSVP is necessary to assure we have enough coffee and confections.
- The purpose is a brief social and to welcome the new ladies and their big sisters. Each new player will get 2 big sisters.
- Currently we have 2 new ladies signed up.
- We have 12 big sisters with 50 applications submitted.

**Member/Guest**

Our Member/Guest event will be the same in 2023 just a little different.

- 18 Hole League will run the event
- the event will be open to all women of Tellico Village who have a handicap.
- The intent is to grow this event into a marquee event for the Village like the men's event.
- Lucas and Adam support this change
- Lucas proposed \$250 entry fee for a two day, two round event. Fee will cover, evening social, breakfast, final round luncheon/awards gathering, and "tee gift" money. All guest costs are covered in Lucas' proposed entry This fee could be adjusted upward to include all costs for both players.
- Kate Grady is supportive to build this event to be a special show case event within the Village.
- the proposal and vote was made to reallocate the unspent monies from last year's Member/Guest be allocated to this years Member/Guest.
